Clinic Guidelines

- ❖ A referral from a family physician is required for all specialist services covered by Alberta Health Care Insurance Plan.
- ❖ Organizations requiring independent psychiatric evaluations are welcome to send in referrals for their clients.
- ❖ The Clinic's preferred method for all referrals is by fax. You may use either of our referral forms or send us yours.
- ❖ The Clinic's email is for general enquiries only. Please, do **NOT** send any patient or client information by email. Kindly note that we will **NOT** respond to any email containing confidential patient or client information.
- ❖ The Clinic operates **STRICTLY** by appointments. We are unable to see walk-in cases (this equally applies to our current patients).
- ❖ The Clinic does **NOT** provide urgent care. We are also unable to accept urgent referrals. For all emergencies, please, contact the Distress Centre (403-266-4357), call 9-1-1 or go to the nearest hospital emergency department.
